

After more than 50 years in business, Pony Tails, off the Piney Island circle, will close the end of September. A recent notice from the owners reads...

*To our beloved customers and Chincoteague community,  
Thank you very much for all of your support this crazy year. We have loved seeing our new and returning customers and have appreciated all of the love that has been shown to our small business. Unfortunately, our business has endured many bumps and bruises throughout the season, forcing us to step back and analyze the future of Pony Tails. We have decided that our business will close its doors indefinitely on Sunday September 27th. Until then, our doors will be open for business Thursdays through Sundays from 11 until 5. We will be liquidating our inventory throughout the month, so please stay tuned for our sale information. Thank you very much for your understanding during this difficult time.*
